## G300—Intermediate Incident Command System Course for Expanding Incidents

January 22-23, 2018 • 8am—5pm each day  
Russell City Hall Bldg - Basement Training Room  
133 W. 8th Russell, KS 67665

This course provides training on and resources for personnel who require advanced application of the Incident Command system (ICS).

### Objectives

- Describe how the NIMS Command and Management component support the management of expanding incidents
- Describe the incident/event management process for supervisors and expanding incidents as prescribed by the Incident Command System
- Implement the incident command process on a simulated expanding incident
- Develop an Incident Action Plan for a simulated incident

### Target Audience

The target audience for this course is individuals who may assume a supervisory role in expanding incidents. Note: During expanding incidents, some or all of the Command and General Staff positions may be activated, as well as Division/Group Supervisor and/or Unit Leader level positions. These incidents may extend into multiple operational periods.
